## Reading/Writing Connection

- \_\_\_\_\_ Complete the Plot Peak Worksheet for the book.
- \_\_\_\_\_ Write your own chapter for the book. This chapter could be at the beginning, middle or end of the story.
- \_\_\_\_\_ Explain the main character's goals during the story. Fill out the goal sheet for their goals. You need to have more than one goal for the character.
- \_\_\_\_\_ Describe the most exciting part of the story on the worksheet. Sentences need to be complete sentences.
- \_\_\_\_\_ Use a Thinking Map to show the cause and effect (multi-flow map) of the main events of the story.

## Technology Connection

- \_\_\_\_\_ Create a travel brochure using Microsoft Publisher or something else showing the setting in your book. Find pictures on the web that would be similar to your settings in your book. Insert those pictures into the brochure. Write captions for the pictures to entice readers to visit these places.
- \_\_\_\_\_ Using Prezi create a short presentation that represents the main events of the story. Fill out the planning sheet before working on it on the computer. You will need to present this to the class at the end of the quarter. Please save your prezi presentation, but do not delete any others. The entire class will have access to it.
